To Chris

First receive my greetings. Hope you are doing well and your going with life is smooth. I am also good and doing well.

Secondly I would like to thank you because of your support in academics. For real your support has helped me and enabled me to move far in academics.

I have ~~now~~ now finished form four and am waiting for my K.C.S.E results, of which am aiming to going to the university by God's grace.

May the almighty God shower you with His blessings for your kind heart.

Yours faithful
~~N~~
